Col. Bryan Tell Followers
to Persevere

Until They Have Won Their
Great Battle.

Nebraskan Tendered Ovation by
Jeffersonian Club.

Lincoln, Neb., Dec. 27.—(Spl.)—Col. William J. Bryan was the guest of honor last night at the annual banquet of the Jeffersonian club. It was attended by 300 representative Democrats from Nebraska and other states. It was the first public appearance of Col. Bryan since the close of the last campaign. The subject assigned to Col. Bryan was "Principles Live." In part he said:

"At this banquet, surrounded by neighbors who have been my friends for ten years, I may be pardoned for saying a word of a personal nature. Five times you have voted for me for public office—twice for Congress, once for United States Senate and twice for the presidency and no candidate ever received more loyal support than you have given.

"Whether I shall ever be a candidate for office again is a question which must be determined by events. No one can speak with certainty of the future, for one's destiny is not known until his life's work is complete. I shall be content if it is my lot to aid in the triumph of the principles while others enjoy the honors and bear the responsibility of office.

"The holding of public office should be an incident and not the extreme aim of the citizen. It should not be an end, but the means for the accomplishment of a purpose.

"The presidency seemed desirable because it would have enabled me to give effective aid to certain reforms which I believe to be necessary to the public welfare, but defeat—even a second defeat—does not lessen my interest in this reform, and time may prove that my work is to advocate rather than to execute.

"The Commoner will give me an opportunity to participate in public discussions and I am sure that an editorial pursuit will furnish as much intellectual enjoyment as I could have found in the White House, and in addition thereto will give me more time for home pleasures.

"The principles for which we contended in the last campaign still live in the last campaign still live, and we who believe in them must continue to fight for them. An election does not change principles: It only determines what principles shall be for the time being applied.

"The believers in tariff reform did not abandon their faith when the high tariff doctrine was indorsed at the polls, neither did protectionists when their cause suffered loss. The advocates of the gold standard continued the fight for monometallism for 25 years in spite of the platform declarations of all parties in favor of a double standard. Shall we, who believe in bi-metallism lose courage because our opponents have profited by an increased volume of money, thus admitting the economic principle for which we have been contending.

"The defenders of trusts did not lose heart when all parties denounced combinations in restraint of trade. Shall we give up the fight because monopoly has triumphed by stealth? Must we now advocate an imperial policy because our opponents have won a victory by denying that they are imperialists? A colonial system involves a surrender of our theory of government and the people will understand this as soon as the system is put into

operation. If we were to consult our immediate convenience and comfort we would never oppose wrong of any kind, for all warfare involves a temporary sacrifice, but this is our government and must be transmitted unimpaired to posterity. We have no choice, therefore, but to stand steadfast, come what may.

"If we are successful in diverting present tendencies and in carrying the government to its old foundations we shall rejoice in the victory and profit by the reforms secured. I am confident that we shall ultimately win, but if the trend toward plutocracy cannot be checked, it is still better that we should be defeated in a righteous undertaking than that we should join hands with those who are ignoring the inalienable rights of man."

ENTERTAINMENT.

Happy Occasion at First Baptist Church Wednesday Night.

An entertainment was given by the Sunday school of the First Baptist church last evening. The auditorium was well filled with three hundred or more interested boys and girls with a plentiful sparkling of older heads. On the platform stood an evergreen bower tastefully decked out with popcorn and bearing across its front the words, "Merry Christmas." After the usual opening exercises, a short literary and musical program was rendered. Mr. J. C. Frank, of this city, entertained the audience with a series of stereopticon views of scenes along the famous Nile Valley and in the Holy Land, with an occasional picture of scenes near home. At the close of the exhibition gifts were distributed to the scholars of the Sunday school. One feature that caused considerable merriment was near the close of the entertainment. The words "Merry Christmas" before mentioned seemed to be made out of what looked like small round doughnuts fastened to a red board in a way to form the letters. At a given moment when the attention of all was directed to the words, by some ingenious contrivance, the doughnuts flew off and fell in a shower into a white sheet prepared to receive them. This feature was the device of Mr. W. H. Dorrance, Jr., who is assistant superintendent of the school.

Eight Hundred Thousand

Sufferers From Kidney Trouble Cured This Year by

Dr. David Kennedy's Favorite Remedy. Sample Bottle Free.

Thousands who have written for one of the free trial bottles of Dr. David Kennedy's Favorite Remedy have literally had their lives saved by a postal card. They got the trial bottle, and it proved to them that Dr. David Kennedy's Favorite Remedy was the only real cure for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation and the sicknesses peculiar to women. They bought a large sized bottle of their druggists and it benefited or cured them (the above is not an idle statement, but the result of careful investigation).

You can do the same thing. If you are in doubt as to whether you have trouble with your Kidneys or Bladder, put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment, or milky, cloudy appearance, if it is rosy or stringy, pale or discolored, you should lose no time in taking Dr. David Kennedy's Favorite Remedy: It can be had of all druggists at \$1.00 a large bottle, or six bottles for \$5.00. It is without question the surest medicine of the age to put a stop to such dangerous symptoms as pain in the back, a frequent desire to urinate, especially at night, scalding burning pain in passing water, inability to hold urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

Send your full name and address to the Dr. David Kennedy Corporation, Rondout, N. Y., and be sure to mention this paper when a trial bottle, with pamphlet of valuable medical advice, will be mailed to you absolutely free. The publishers of this paper guarantee the genuineness of this liberal offer.

Many Former Residents Returned For Christmas Day.

Cuyahoga Falls, Dec. 27.—Cuyahoga Falls is now in a fair way to have an excellent supply of good water piped and pumped under municipal direction and control. The wells which were drilled across the river have been subjected to severe tests and have proved practically inexhaustible. The unusually ready manner in which the \$40,000 worth of bonds were disposed of

insures plenty of funds with which to complete the work. A premium of \$7900 was realized at the sale.

Front st. has been piped, and the main has also been extended across the river, so that a large portion of the necessary work for the establishment of the system, has been accomplished. It now remains to finish the laying of the pipe, erect a power and pumping station, build a stand pipe, and Cuyahoga Falls will be able to fight fire or sprinkle lawns in a thoroughly modern manner. The work will doubtless be continued as soon as favorable weather for the purpose makes its appearance.

The age of the village has made it a place of many old homesteads, from which from time to time, the younger generation has wandered. The holiday season brought them flocking back into the Falls and many were the reunions on Christmas day.

L. R. Freeman entertained the families of C. F. Inskeep, Wm. Blong, J. I. Clapsdel, Welk Cone and Mr. Harry Freeman on Christmas day.

Abraham Snyder entertained the families of Wm. Tift and Gus Duffy.

Samuel Russell and wife and L. A. Griffin of Cleveland attended the Russell family reunion on Christmas day.

A happy crowd of 25 relatives and friends attended the reunion of the Wills family on Christmas. There was turkey and trimmings.

Miss Lothe Wilcox spent the day in Medina.

W. H. Flagle of Morristown, Pa., is spending the holidays with his daughters.

Clinton Stauffer, of Columbus, is visiting with his brother, Rev. Henry Stauffer.

Mr. and Mrs. Fred Wills, of Cleveland, attended the Wills family reunion.

Alexander Herdman of Allegheny, Pa., is visiting his parents in the Falls. Miss Lois Elliott will leave shortly to attend a Woman's College in Massachusetts.
New beginners' class starts Thursday evening, Dec. 27. W. A. Barron.
